

Presmed Optometry Conference 2018

Optometrists are invited to our annual Presmed Optometry Conference on Sunday 8 April 2018 at the Macquarie Graduate School of Management. The Conference follows our proven successful format of two concurrent speaker programs with an array of Ophthalmologist presenters.

Date: Sunday 8 April 2018

Time: 8:00am to 1:00pm

Venue: MGSM, Macquarie University, 99 Talavera Road, Macquarie Park

12T OAA CPD points applied for.

ESCRS Conference 2017

Roger Cronin, our Chief Executive Officer, recently engaged with the latest clinical research, information and technology in Ophthalmology at the European Society of Cataract & Refractive Surgeons Conference (ESCRS) in Lisbon.

Mr Cronin said, “This conference presents the latest clinical knowledge and research in Ophthalmology. Presmed Australia is committed to upholding the latest advances in Ophthalmology technologies for the greater benefit of our patients and I’m looking forward to integrating these new technologies into our resources to further enhance the quality and safety of patient care and clinical outcomes”.

Celebrating our 2nd Year

Anniversary!

Chatswood Private Hospital (CPH) is proud to celebrate its 2nd year anniversary since its inception on January 11 2016. The hospital is committed to remain as one of the premiere destinations for Ophthalmic, ENT, Dental, Oral and Plastic Surgery services. CPH would like to thank its patients, staff, providers and contractors for their continued dedication, support and contributions.

Patient Profile: Mrs Carol Lippey

Mrs Carol Lippey was a patient at the Hospital on 8th December 2017 for cataract surgery under Dr. Yohendran. “Having been an Ophthalmic nurse for over 20 years and now a patient at Chatswood Private Hospital (CPH), it feels like I’m coming back home, all be it on the wrong side of the fence”, says Carol, one of the original Registered Nurses at our facility. Previously one of the founding nurses for the OSC (Ophthalmology Surgery Centre, 1997-2007) which was the private Ophthalmic day Surgery from which CPH developed, it was our honour and pleasure to care for Carol during her admission.

CPH Trials: LenSX Femtosecond Laser

Chatswood Private Hospital (CPH) is committed to continually research and obtain the latest cutting edge technology that the Ophthalmic industry has to offer to that end a 6/12 month trial of the Alcon LenSX Femtocataract Laser commenced in November 2017.

The LenSX laser creates precise incisions in the eye, creating perfectly sized opening in the front of the lens and divides the cataract, all with a high precision image guided femtosecond laser.

Successful Accreditation Outcome

June 2017

ACHS Accreditation Success

Chatswood Private Hospital achieved an outstanding accreditation result from the Australian Council on Healthcare Standards (ACHS).

“I’m pleased to advise that we achieved a fantastic result with our ACHS accreditation” says Roger Cronin, Chief Operating Officer. We have passed all of the National Standards and ACHS Accreditation requirements. The surveyors were impressed by the standards of clinical care and governance across the facilities. This is something to be very proud of” says Mr Cronin.

Accreditation has been awarded until July 2020.

Chatswood Private Hospital

Welcomes New DON

Chatswood Private Hospital (CPH) would like to congratulate Wendy McLean on her successful appointment as Clinical Manager/Director of Nursing (CM/DON).

Wendy has been the CM/DON at Chatswood Private Hospital since 10 July 2017. Prior to that Wendy was the CM/DON at Epping Surgery Centre, a sister facility in the Presmed Group, successfully performing that role for the last 6 1/2 years.
