### **Presmed Annual Optometrist Conference - Sunday 10 March 2013**

Our Sydney facilities, Ophthalmic Surgery Centre and Epping Surgery Centre are pleased to announce that this year's conference promises to be innovative and exciting:

- Gain 12T OAA CPD Points
- Hear from 26 industry-leading Ophthalmologists on their very latest ophthalmic knowledge
- Network with colleagues, specialists and suppliers and strengthen your referral relationships

A unique feature of our conference this year is our two concurrent Ophthalmologists speaker programs. Each stream will have 13 Ophthalmologists presenting.

You asked for more question time and we've delivered providing more interaction opportunities. This combines to offer Optometrists an excellent variety of educational presentations to choose from to meet their individual clinical practice and CPD requirements.

**Hurry, places are limited.** Our conference ticketing this year is organised by Eventbrite. To register and view the Conference Program please go to: <http://presmed.eventbrite.com.au>
